Boy Scouts honor two local men

Mr. Fritz C. Stein, Jr. and Mr. James M. (Erec) Shine, Jr., received the highest recognition a scout district can give, The Award of Merit.

The Award of Merit is given annually to a man or woman who has given dedicated service to building character in young people. That service can be administrative support of the district or the frontline leadership of a group of Cubs, Scouts or Explorers.

The awards were presented at the Glades District Annual Recognition Dinner December 4.

Everglades Cleanup to proceed

Environmental concerns over the fate of the Everglades will take precedence over economic consequences of a clean-up plan on farm communities in South Florida, according to the head of the South Florida Water Management District.

"The commitment of this state is very clear, and that is that the Everglades are going to be preserved... and if a consequence of that is economic dislocation, the state will have to deal with it," Allan Milledge was quoted as saying during a water board review of an Everglades Cleanup plan.

"It is this lack of concern for people that Farm Bureau finds so disconcerting," said Carl B. Loop Jr., FFBF president. "Too often, our public officials subordinate the needs of people to the needs of programs. What about the communities that depend on agriculture for their economic existence?"

Farm interests have challenged the plan as unscientific and pointed to potential economic disaster for communities such as Belle Glade, South Bay, Pahokee, and Clewiston which are heavily dependent economically on agriculture.

Most of the \$300 - to \$600-million dollars needed to fund the plan could come from taxing farmers. In addition, 35,000 acres of currently productive farm land would be purchased and converted to marshland.

Veterans to receive pay raise of 3.7%

The Department of Veterans Affairs announced that compensation payments for disabled veterans has been increased by 3.7 percent, effective December 1.

The cost-of-living allowance was included in legislation signed by President Bush November 12. Since passage of the legislation, the VA has been working to ensure that veterans' January checks reflect the increase.

Veterans whose service-connected disabilities are rated at 30 percent or more may receive additional allowances for dependents, based on the number of dependents and the extent of disability.

A veteran with a 30 percent or high rating also is entitled to a special allowance for a spouse in need of the aid and attendance of another person.

The increase affects some two million veterans and 341,000 survivors of service members or veterans who died from service-connected causes.

Pahokee—If Pahokee residents want to shop at McCrory they will have to drive to Belle Glade soon.

McCrory Stores has announced that it will close 229 stores throughout the country in 1992. The closing activities will begin immediately and are expected to be completed by January 1992.

The majority of these stores do not produce an acceptable return on investment or are located in markets where McCrory will no longer have a presence according to company officials in York, Pennsylvania where their home offices are located.

According to McCrory's Public Relations Director Tim Fortune, "As a result of this decision, McCrory Stores also has announced that it will close its full line distribution center in Clinton, South Carolina. The closing activities will begin immediately with completion of final shipments from the facility expected by March 1, 1992. Stores currently receiving shipments through the Clinton Distribution Center will be serviced by the McCrory facility located in York, Pa."

Although both Belle Glade Stores are serviced by the Clinton office, no mention was made about closing the Belle Glade stores.

Pahokee and Clewiston stores are on the list to close along with 23 other stores in the state of Florida.

According to McCrory store officials, "These actions are part of a major consolidation of assets and inventories. Reallocation of resources will strengthen the company's position in key markets and enable it serve customers more effectively."

Based on this consolidation, McCrory Stores will be a \$1 billion 5&10 variety retailer. The company will operate 800 stores under the name of McCrory, J.J. Newberry, T.G.&Y., McLellan, H.L. Green, Kress, and G.C. Murphy.

During the past year Pahokee has suffered many business losses due to the recession including Glades Mercantile, a large furniture outlet who pulled out about 4 months ago. Pahokee Ford, Pahokee's only car dealership, is planning a move to Belle Glade. Everglades Memorial Hospital is supposed to merge with Glades General Hospital, but that is on the back burner at present.

Pahokee city officials are racing to get the marina improvements finished and establish a strong tourist base in their community but are losing many businesses in the process.

According to Pahokee City Manager Ken Schenck, "We can't fight corporate logic or 'illogic' as I believe it is in this case." "The store has always looked like it was doing a booming business to me."

Glades Year in review for 1991

January 4, 1991

Although the federal government announced a program last month offering help to farmers who lost money in last year's freeze, no one in Hendry or Palm Beach counties has requested the forms or applied for the relief funds.

Belle Glade—Chief Mike Miller says he is optimistic the state will put a school zone traffic signal across from Christian Day School by next September.

South Bay—A Civil Service Board meeting has been scheduled by City Attorney Thomas Montgomery and City Manager Lester Baird for January 30 at 7 P.M.

Belle Glade—Unity in the Community will be the theme of a series of community activities sponsored January 20 and 21 by the Alpha Phi Alpha Fraternity Chapter to honor Dr. Martin Luther King on the national holiday named to celebrate the Nobel Prize-winning civil rights leader.

January 10, 1991

Belle Glade—Police are investigating the attempted murder of Elnor Warren, 44, who was found December 31 slumped against the wall at 125 SW 5th St. with a bullet wound in the neck.

Belle Glade—Business was down this year during the crucial Christmas season. That was the verdict of almost every merchant in the Glades, contacted over the last week.

Pahokee—The City Commission endorsed a plea at Tuesday's regular meeting to do something for the troops from Pahokee serving in the Gulf.

Pahokee—A foot-high stack of

mail was the first job Marlene Crosby dealt with as the new secretary of the Pahokee Chamber of Commerce.

Mrs. Crosby started the job last week and said there is a lot of work to be done. The position has been empty since the first of December when former Secretary Colleen Smith resigned to move to Okeechobee with her husband.

Belle Glade—What began as a routine domestic complaint last Sunday ended with Terry Lee Willis charged with battery on a law enforcement officer, depriving an officer of means to defend himself, resisting arrest with violence, two counts of opposing and obstructing and three counts of aggravated assault.

January 17, 1991

Belle Glade—President Bush's Line in the Sand held through Wednesday morning with American, British, and other troops from around the world ready to drive troops loyal to Iraqi President Saddam Hussein from Kuwait.

South Bay—After four months as interim city manager, Lester Baird has been given the position full-time.

Belle Glade—There are more than 400 Palestinians here and they say they are apprehensive about the Gulf Crisis and what it may mean for them and their families in the Mideast.

Pahokee—In an effort to increase revenue from the pier brought joy to millions of children all over the world, he made his annual celebrated visit to the Chimpanzee Islands special hearing Tuesday night.

in review
this issue

Another one bites the dust....McCrory of Pahokee will be closing soon according to McCrory officials at their home office in York, Pennsylvania. Pahokee is struggling to keep a strong economic base alive in the city. This year they are losing McCrory, Pahokee Ford, recently Glades Mercantile, and on February 6th the Health Care District votes on whether or not to close their hospital.

Campbell selected

The Board of Trustees of Campus.

Palm Beach Community College has awarded the first P.B.C.C. Endowed Faculty Chair to Glades Campus Senior Instructor of Mathematics Janette Campbell.

She was given a one-year stipend totaling \$5,810, with 40 percent to be used for program activities. Ms. Campbell was selected for her outstanding professional achievements and service to the College.

An anonymous donor provided the \$45,000 to fund this first Endowed Teaching Chair for the P.B.C.C. Glades

The purpose of the Endowed Faculty Chair program is to reward outstanding teaching, to provide support for a creative activity by a full-time teaching faculty member which will directly benefit the College and to enhance the academic program and its students.

The criteria includes service to teaching, the professional discipline and the community as well as evaluations by superiors and students.

Nominations are reviewed by a committee of peers and one candidate is recommended for

selection for each Endowed Faculty Chair.

Each Endowed Faculty Chair is funded through a \$45,000 contribution from a private donor.

A state matching grant brings the endowment to \$75,000, from which that annual interest is used for the award. Donors may select the professional discipline for which the Endowed Faculty Chair will be awarded.

For more information on the Endowed Teaching Chair program, please call the PBCC Foundation at (407)-439-8033.

Endowed Faculty Chair...Pictured (L-R) are P.B.C.C. President Edward M. Elsey, Glades Campus Mathematics Senior Instructor Janette Campbell, Glades Provost Helen Franke and Trustee Homer J. Hand. Dr. Franke is presenting the stipend for the first Endowed Faculty Chair to Campbell.

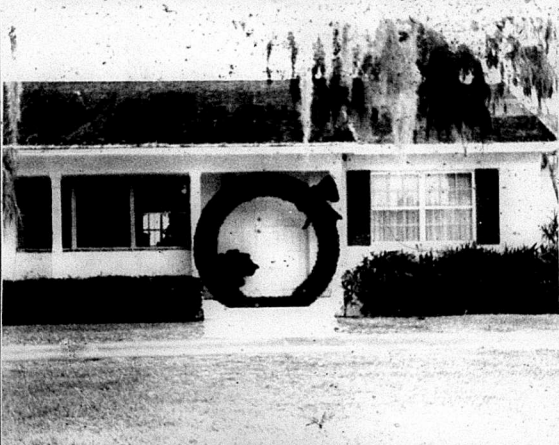

Santa visits the animals

The day before Santa Claus brought joy to millions of children all over the world, he made his annual celebrated visit to the Chimpanzee Islands special hearing Tuesday night.

by boat at Lion Country Safari, one of South Florida's top have on Christmas morning.

"When they saw Santa, they were excited. There was a lot of hugging, shouting, and jumping around by the chimpanzees in anticipation of receiving their gifts," said Terry Wolf, Wildlife Director. see chimps page 5

Wilkinson's win decorating contest

First place winners....Walter and Julia Wilkinson took the honors in the Christmas Decorating Contest in Pahokee for The Best Residential Award. The Wilkinsons reside at 1416 E. Main Street.

Downtown decorations appear....The Xi Beta Tau Sorority decided to add some extra decorations to downtown Pahokee this year. This display was on the corner next to the fire department.

Proud of the Raiders
I just wanted to call and say that as a citizen of Belle Glade, I'm extremely proud of Glades Central High School's football team. They did a great job this year and everyone should let them know how we feel about them. I am also glad that Dr. Greer brought us a good new football coach that lead the team in a disciplined

manner, nearly to become state champions. Thank you Rick Casko! Now the Lady Raiders Basketball team is showing their stuff. We should get behind them and give them our support as well. Many famous athletes come from the Glades and that is something positive that some people tend to forget.

Oracion Pavarosa

"Si alguien esta solo. Yo estoy con el. Mueve la piedra y me encontraran. Rasca la madera, que alli estoy yo."

Pero para descubrirte en la piedra y en el leño, es necesario buscarse. Y te hemos buscado. Acaso por caminos torcidos.

Nunca como hoy ha sido tan urgente responder a Tu mensaje. Y que nos escuches, Señor! Te lo suplicamos clavados de rodillas ante la Santisima Cruz que...ya se proyecta sobre el Pesebre. Te lo pedimos, por los clavos sagrados que ataran sobre esa Cruz Tus manos y Tus pies. No es que estemos rehuyendo el sufrimiento. Estamos recabando de Ti, Padre, nos ayudes a restituir nuestra condicion humana, para afrontar los sufrimientos como tales, y no como bestias.

En estos momentos en que el mundo cristiano conmemora el nacimiento del Niño Jesus, en estos instantes en que se oyen por doquier alegres aleluyas, fuerzas demoniacas encarnadas en un aleveo Tirano, estan proyectando toda su infamia para sepultar en vida al noble pueblo cubano. La opcion cero que se les impone brutalmente, es una afrenta al hombre, creado a Imagen y Semeljanza de Dios.

Mas trabajo forzado, mas hambre, desolacion y ruina. Mas persecucion religiosa. Aniquilamiento de todas las manifestaciones del espiritu. Mas carceles, mas asesinatos. Desprecio absoluto a las mas elementales reglas que rigen las Organizaciones de Derechos Humanos. Mas odio. Actos de Repudio (A.R.) manipulados por "turbas divinas", como las que gritaban a Herodes: crucifícalo; crucifícalo! Dirigid por el propio Verdugo, estan espaciando todo el odio que su mente diabólica

genera, para mantener aterrado al pueblo.

No permitas, Señor, que las esperanzas de alcanzar la libertad tras la caída estrepitosa del comunismo ateo; no permitas que esas esperanzas, --alentadas en Fatima con los augurios de Tu Santisima Madre--, se desvanezcan en el holocausto de desolacion y muerte que como unica solucion el Tirano ofrece.

No permitas, Señor, que gobernantes sin escrúpulos, con opulente hipocresia, tiendan su mano al Despotas, que se esta hundiendo, por fuerza gravitacional, con todo su diabolico cortejo.

No permitas, Señor, que hermanos nuestros, derrotados fisica, o espiritual o moralmente, se presten a dialogar con el Verdugo. Hubiera sido como si Tu, Divino Maestro, hubieras claudicado ante el satánico Herodes.

Dignate Señor, te lo pedimos con toda humildad, dignate subir a la montaña donde se venera en silencio la Imagen de Tu Santisima Madre nuestra Patrona, La Virgen de la Caridad del Cobre. Sube hasta lo mas alto de la montaña y orientanos, Señor. Orienta a Tu pueblo que lleva mas de treinta años esclavizado. Hazles sentir, a los que lo hayan perdido, el valor de la dignidad que trae aparejada el nacimiento de cada hombre, que no ha venido al mundo para arrastrarse sobre la tierra; sino para vivir cristiana y dignamente sobre ella.

Tenemos necesidad de Ti. Solamente Tu, Padre de la Misericordia, puedes medir la hondura de la pena del esclavo en su propia Patria, y de los que, expulsados de ella deambulamos por el mundo, sumidos en la mas dolorosa de todas las angustias: la del alma.

Letters to the Editor:

Dear Editor:

Few towns in the country possesses the beauty of the boarder of Royal Palm trees that line Bacom Point Road and East Main Street in Pahokee. For more than 70 years, the Royals have stood as silent signatures of the fertility of our wonderful tropical climate.

In but a few places in the world do these trees flourish as they do here. The regal beauties tower into the skies as monuments to the love of our community by past generations who left this incredible gift to exhilarate residents and passers-by as well.

Builders and developers spend thousands of dollars trying to duplicate the Royal Palm arbor and few succeed the way nature has in Pahokee.

Today, the Royal Palm trees are threatened. They have withstood hurricanes, droughts, floods and freezes. But even these mighty giants cannot overcome man's indifference.

Five have already fell victim to the thoughtless chain saw. They were cut down in the interest of alleged highway safety because a resident allegedly claimed their presence constituted a traffic hazard.

As for the traffic hazard allegedly, the only memorable incident in the past 20 years involved a traffic fatality when a car traveling at a high rate of speed hit one near the Armstrong home on Bacom Point Road in the mid-1970's.

Reasonable caution will prohibit an accident, and if DOT feels a compelling need for action, they should reduce the speed limit.

THE ROYAL PALM TREES ARE PUBLIC PROPERTY. THEY ARE NOT ON ANY INDIVIDUAL'S PRIVATE PROPERTY. NO INDIVIDUAL HAS THE RIGHT TO TOUCH THEM! Their destiny is in the hands of the public, not any individual property owner!

The Florida Department of Transportation (DOT) allowed a property owner to cut five Royal Palms.

Some other private property owners are asking DOT to let them cut down more Royal Palms! **IF YOU AGREE THAT THESE PALMS ARE A UNIQUE TREASURE, YOU MUST HELP SAVE THEM NOW!!!!!!**

YOU HAVE THE POWER TO DO IT!!! YOU CAN PROTECT THE TREES!!! YOU CAN STOP THE DESTRUCTION OF THIS TREASURE AS SIMPLY AS PICKING UP YOUR TELEPHONE!!!!

Your protest to the Department of Transportation and to your state legislators CAN GIVE THESE TREES THE PROTECTION THEY DESERVE.

Here's all you have to do! First, call the local office of DOT and demand protection for the trees.

Call 992-1318 or 992-1321 and ask for Mr. Bowen. His beeper or car phone number is 929-7629.

Be courteous, be nice, BUT BE FIRM! Don't let DOT out from under the responsibility. They had the power to allow five 70 - year old Royal Palm Trees cut, they have the power to save the rest.

Demand that DOT replace the five trees that were cut with similar trees of similar size.

Secondly, call State Representative Marian Lewis. Request that she use the auspices of her office to let DOT know the citizens of Pahokee are serious about protecting the trees.

Request that she sponsor a "local bill" (special legislation that applies only to Pahokee) recognizing and designating the Royal Palm trees as a local historic landmark deserving of protection by the State of Florida. The effect is provide suitable permanent protection for the trees.

Rep. Lewis' Palm Beach County Legislative Office telephone number is (407) 842-6800.

Rep. Lewis will need the cooperation of her counterpart in the Florida Senate. Sen. Robert Wexler is the State Senator representing our area.

Sen. Wexler's office phone number is (407) 994-6505.

Help save Pahokee's Royal Palm trees for everyone to enjoy and protect them for future generations.

Sincerely,
Larry and Joanne Tucker
175 N. Flame Avenue
Pahokee, Florida 33476

Dear Editor:

I have found in the last few weeks' subjects regarding the affirmative action plan in the city government and disgruntled parents of the local football league interesting. Interesting in the fact they have been long labored marginal issues in the local press and interesting because of the apparent naivety of participants in various causes have in getting the job done.

The article pointing out that the local NAACP organizer has obtained the confidence of honest people and is making a profit on shoddy workmanship from the very people he has chosen to represent is disheartening.

Also, the fact that people (parents) will have their children involved in activities, totally intrust their children's safety and well-being without having any idea how business is conducted or what exactly goes on at practices, games and meetings bewilders me.

We, as a citizenry and as parents, must choose our leadership wisely. Deep thought and prayer must go into the community affairs programs and in our local youth organizations.

We must not only choose our leadership wisely but be willing to support as well as criticize them, both in a timely manner. Action must be taken before problems become "after-the-fact."

Good leaders will accept criticism openly and consider all alternatives to any problem put before them. Good leaders willingly work together as a team with others on the front line to get the job done with the highest quality standards at reasonable cost.

We cannot elect or let people choose to be our leaders, hand them the ball and let them choose the direction it will go for us. We must do the choosing and we must be there when it comes time to good leaders that need our input for direction. We must beware those who are "leading" us on.

Sincerely,
J. Shine

Looking back through time 42 yrs. ago

**Jack and Jill tore up the hill
Passed a car on the way;
A truck coming down broke Jack's crown
And Jill a harp dot play.**

Thousands of hapless Jacks and Jills ride to ruin over the edge of our state. Wrong-side-of-the-road driving ruins them as a mass of highway deaths.

A good driver develops a safety instinct of mind. He keeps to his own side of the road except when when it is absolutely clear ahead. Do you do it? If not, you are a danger to yourself and others. Speed is your enemy and the reason for most accidents. Speed means to ruin lives. This is your enemy and the reason for most accidents.

Few towns in the country possesses the beauty of the boarder of Royal Palm trees that line Bacom Point Road and East Main Street in Pahokee. For more than 70 years, the Royals have stood as silent signatures of the fertility of our wonderful tropical climate.

In but a few places in the world do these trees flourish as they do here. The regal beauties tower into the skies as monuments to the love of our community by past generations who left this incredible gift to exhilarate residents and passers-by as well.

Builders and developers spend thousands of dollars trying to duplicate the Royal Palm arbor and few succeed the way nature has in Pahokee.

Today, the Royal Palm trees are threatened. They have withstood hurricanes, droughts, floods and freezes. But even these mighty giants cannot overcome man's indifference.

Five have already fell victim to the thoughtless chain saw. They were cut down in the interest of alleged highway safety because a resident allegedly claimed their presence constituted a traffic hazard.

As for the traffic hazard allegedly, the only memorable incident in the past 20 years involved a traffic fatality when a car traveling at a high rate of speed hit one near the Armstrong home on Bacom Point Road in the mid-1970's.

Reasonable caution will prohibit an accident, and if DOT feels a compelling need for action, they should reduce the speed limit.

THE ROYAL PALM TREES ARE PUBLIC PROPERTY. THEY ARE NOT ON ANY INDIVIDUAL'S PRIVATE PROPERTY. NO INDIVIDUAL HAS THE RIGHT TO TOUCH THEM! Their destiny is in the hands of the public, not any individual property owner!

The Florida Department of Transportation (DOT) allowed a property owner to cut five Royal Palms.

Some other private property owners are asking DOT to let them cut down more Royal Palms! **IF YOU AGREE THAT THESE PALMS ARE A UNIQUE TREASURE, YOU MUST HELP SAVE THEM NOW!!!!!!**

YOU HAVE THE POWER TO DO IT!!! YOU CAN PROTECT THE TREES!!! YOU CAN STOP THE DESTRUCTION OF THIS TREASURE AS SIMPLY AS PICKING UP YOUR TELEPHONE!!!!

Your protest to the Department of Transportation and to your state legislators **CAN GIVE THESE TREES THE PROTECTION THEY DESERVE.**

Here's all you have to do!

First, call the local office of DOT and demand protection for the trees.

Call 992-1318 or 992-1331 and ask for Mr. Bowen. His beeper or car phone number is 328-7629.

Be courteous, be nice, BUT BE FIRML! Don't let DOT out from under the responsibility. They had the power to allow five 70-year old Royal Palm Trees cut, they have the power to save the rest.

Demand that DOT replace the five trees that were cut with similar trees of similar size.

Secondly, call State Representative Marian Lewis. Request that she use the auspices of her office to let DOT know the citizens of Pahokee are serious about protecting the trees.

Request that she sponsor a "local bill" (special legislation that applies only to Pahokee) recognizing and designating the Royal Palm trees as a local historic landmark deserving of protection by the State of Florida. The effect is provide suitable permanent protection for the trees.

Rep. Lewis' Palm Beach County Legislative Office telephone number is (407) 842-6800.

Rep. Lewis will need the cooperation of her counterpart in the Florida Senate. Sen. Robert Wexler is the State Senator representing our area.

Sen. Wexler's office phone number is (407) 934-6505.

Help save Pahokee's Royal Palm trees for everyone to enjoy and protect them for future generations.

Sincerely,
Larry and Joanne Tucker
175 N. Flame Avenue

Dear Editor:

I have found in the last few weeks' subjects regarding the affirmative action plan in the city government and disgruntled parents of the local football league interesting.

Interesting in the fact they have been long labored marginal issues in the local press and interesting because of the apparent naivety of participants in various causes have in getting the job done.

The article pointing out that the local NAACP organizer has obtained the confidence of honest people and is making a profit on shoddy workmanship from the very people he has chosen to represent is disheartening.

Also, the fact that people (parents) will have their children involved in activities, totally intrust their children's safety and well-being, without having any idea how business is conducted or what exactly goes on at practices, games and meetings bewilders me.

We, as a citizenry and as parents, must choose our leadership wisely. Deep thought and prayer must go into the community affairs programs and in our local youth organizations.

We must not only choose our leadership wisely but be willing to support as well as criticize them, both in a timely manner. Action must be taken before problems become "after-the-fact."

Good leaders will accept criticism openly and consider all alternatives to any problem put before them. Good leaders willingly work together as a team with others on the front line to get the job done with the highest quality standards at reasonable cost.

We cannot elect or let people choose to be our leaders, hand them the ball and let them choose the direction it will go for us. We must do the choosing and we must be there when it comes time to good leaders that need our input for direction. We must beware those who are "leading" us on.

Sincerely,
J. Shine

Thousands of fatalities and injuries result each year from the careless use of vehicles. Wrong-way-driving during rain is one of the most dangerous.

A good driver develops a safety sense of mind. He keeps in his own side of the road except when it is absolutely clear ahead. Do you do that? If not, you are a danger to yourself and others. Please, don't drink and drive. Please, don't drink and drive. Please, don't drink and drive.

Glades year in review

continued from page 3

the Lake Shore Swimming Pool, saving the city \$35,000 they might have lost in a county grant if the pool was not open by July 1.

The City of Belle Glade paid over \$39,000 in repairs to the pool in addition to the \$35,000 grant from the County Commission.

"We also received over \$20,000 in in-kind services from many departments in the city and from the prison system," said City Manager Lomax Harrelle.

July 11 - Belle Glade City Commissioners voted Monday night to consider an ordinance making it "unlawful for any person to possess an open container containing an alcoholic beverage on any public street, sidewalk, alley, easement or right-of-way in the City."

A lone bank robber walked into Southeast Bank at noon, July 9 and robbed a cashier. The next day, a suspect, Arthur Lee Williams, was arrested.

July 18 - The adult Burmese, a giant cannibal mosquito 10 to 15 times bigger than a normal mosquito, will be released by researchers in an experiment to see if the breed will help lower the number of pesky, biting mosquitoes.

Underground Tank Specialties of South Florida, Inc.(UTSI), has been contracted by the City of Pahokee to remove and dispose of one 500 gallon diesel and one 1,000 gallon diesel existing underground storage tanks located on the old Pahokee High School property.

July 25 - The road known as "Bloody 27" may soon lose that dubious title.

U.S. 27, well-known for the numerous fatal accidents over the years, will for four lanes all the way to the Broward County line, says State Representative Marian Lewis.

A Glades sugarcane farmer and his wife were laid to rest yesterday after a tragic plane accident in Wyoming last Friday afternoon took both their lives.

James Wilford Markham, age 59, and his wife Barbara, age 55, died after their private plane, a Cessna 180J, crashed and burned about 3 p.m. July 19 approximately two-and-a-half miles outside an airport in New Castle, Wyoming.

August 1 - The site the school board has been developing for the new Glades Central Community High School has been abandoned.

Three seats are up for reelection in the September 10 general election. The last day to qualify is August 9. If a runoff is necessary, it will be held September 17.

So far, all three current commissioners have filed to run again for their seats. Commissioners Bill Bailey, Stephen Weeks and Mr. Tucker have all qualified.

August 8 - A closer look will be taken at the firing of Housing Authority Director Belinda Thompson, according to Walter Percy, member of the board.

A six-year-old child drowned in a rock pit behind the Padgett Island housing development Tuesday afternoon while swimming with friends.

Darren Lee had been using a plastic jug as a flotation device when he slipped under the water and drowned.

August 15 - Public Safety Director Mike Miller said the city has experienced a rash of burglaries in the past month.

There have been 61 businesses burglarized since July 1 and 32 residents have been broken into and robbed.

Also from July 1 to Aug. 10, Mr. Miller said there have been 45 motor vehicle burglaries in the city.

Commissioner Daniel Bythwood told fellow commissioners he would repay the \$3,000 loan given to him by

the city within three weeks.

Mr. Bythwood was given a loan by the city on the approval of the city commission at the July 22 commission meeting. The motion to extend the interest-free advance on Mr. Bythwood's commission salary was made by Commissioner Bill Bailey, who said at last Monday night's meeting that he regretted the decision.

August 22 - Flames lit the sky for miles Saturday night as fire units from all three towns tried to subdue a fire at the State Farmer's Market building on Farmer's Market Road, Pahokee.

The fire, which destroyed three-fourths of the building, was ruled accidental Monday afternoon by the State Fire Marshall. Also destroyed in the blaze was a tractor, 10 diesel engines, two trucks and a small trailer that belonged to Consolidated Chemical.

A 15-month-old child was run over by her uncle's car and killed last Saturday.

Navil Ruiz, infant daughter of Antonio and Consuelo Ruiz of 1077 E. Main Street, Pahokee died about 2 p.m., Aug. 17 at Everglades Memorial Hospital.

According to Florida Highway Patrol Trooper John Schultz, the child's uncle, Bonifacio Ruiz, age 23, of 2815 E. Main Street, backed over the child in the family's driveway.

August 28 - Glades residents came away empty handed Monday night with no decision from the Palm Beach County Health Care District on what will be done with the two hospitals in the Glades.

District officials believe they could save as much as \$13 million by consolidating the two hospitals in the Glades. The two hospitals are approximately 12 miles apart.

A three year old child was shot and killed in what appeared to be the result of an argument between the child's parents and one or two black males on a street in South Bay.

On Friday morning, August 23 at 1:35 a.m., the Palm Beach County Sheriff's Office began an investigation into the shooting of a vehicle in South Bay.

September 5 - A petition is circulating in the Glades asking the Palm Beach County School Board to reconsider the abandoned school site on Hooker Highway and requesting that West Technical Education Center remain open.

Belinda Thompson, Executive Director of the Pahokee Housing, was officially terminated on August 29th by the Pahokee Housing Authority Board of Commissioners.

Mrs. Thompson had been placed on leave with pay until the board made a final decision in the matter.

September 12 - No decision was made September 10 when the Glades Health Care District Project Merger Team met about what to do with the two hospitals in the Glades.

Voters went to the polls Tuesday and put their stamp of approval on the incumbents.

All three current city commissioners were reelected to their seats by a large majority over their opponents. The turn out was 47 percent, a figure City Clerk June Boglioli said is not unusual for Belle Glade.

September 19 - Pahokee residents are reeling from the shock of learning that the Palm Beach County Health Care District Board has voted to close Everglades Memorial Hospital.

"I felt like someone had kicked me in the stomach," said Pahokee City Commissioner Carlene Walker, after the vote was taken.

A man was found dead on Hooker Highway Sunday morning at approximately 10:30 a.m. by a passing motorist.

The motorist called the Palm Beach County Sheriff's Office and when officers arrived on the scene they found a man lying face down on the roadway.

The victim is James B. Cannon, age 33 of 580 S.W. 7th Street, Belle Glade.

September 26 - Linda Miller, 26-year-old wife of Belle Glade Patrolman Mark Miller apparently shot herself Monday, Sept. 23 around 4:30 p.m.

Harna Miller helped put Belle Glade on the map last week when she participated in the opening of an exhibit for the Smithsonian Institution titled "Field to Factory" for the Oneida County Historical Society in Utica, New York.

Airport Park will be closed until further notice.

October 3 - The 28-acre park, located on SR 80 just north of the city, was closed Tuesday afternoon after city officials received a letter saying contamination exists within the boundaries of the park.

In a special meeting Tuesday night, Belle Glade Commissioners elected a new mayor, vice mayor and treasurer.

Crates "Happy" Tucker was elected to hold the office of Mayor with Commissioner Steve Weeks chosen as Vice Mayor. Commissioner Bill Bailey will serve as the treasurer.

October 24 - Seven Guatemalan men drowned Friday October 18th on their way to work at Okeelanta Sugar Corporation.

The accident occurred when the driver of a 1978 Chevrolet Station Wagon going west on Okeelanta River Drive lost control of the vehicle and plunged into the canal.

A campaign will be launched next month to counteract the negative publicity the City of Belle Glade has received over the past few years.

Spearheaded by the Belle Glade Chamber of Commerce, the marketing/image campaign will use television commercials on Channel 5, WPTV to promote the Glades.

October 31 - The third annual "Grassy Waters Festival" is underway in Pahokee this week and will run through November 3rd. The theme for this year's festival is "A Tribute to Our Farming Community."

The third week in January has been set aside for South Bay residents to celebrate the city's 50th anniversary. The city was incorporated July 22, 1941.

Mayor Clarence Anthony said a week of celebration will begin January 13 and end on Sunday, the 19th with a special observation.

November 7 - Pahokee residents turned out in numbers this past weekend to enjoy the third annual Grassy Waters Festival.

"Every year it just gets bigger and better," said Marlene Crosby, Secretary for the Pahokee Chamber of Commerce.

An enraged husband hacked his wife to death with a machete knife in the early morning hours of Nov. 6 in the front yard of her Padgett Island home.

He was run killed by Special Response Team member Ray Ruby after he cut his mother-in-law, K-9 dog Argus and injured the officer.

November 14 - Walter Brown of Moore Haven, a 73 year old Okeelanta Sugar worker died Monday morning when his pickup veered off the road and into a 13-foot deep canal alongside the road on his way to work.

Pahokee City Commissioners have approved an agreement for the preparation of the Downtown Development Plan and Feasibility Analysis to be prepared by Barden & Schenk, Inc. at a cost of \$25,000.00.

November 21 - The buzz word

in the Glades these days is redistricting and how it will affect the area.

District Six voting lines will be redrawn in March of 1992 to balance the numbers of voters in Palm Beach County.

Two teenage girls who allegedly called a bomb threat to Christian Day School last Friday afternoon apparently didn't realize the school had call tracing. The call was traced and the two teens were arrested.

November 28 - Members of the NAACP are questioning gas allowances given to city employees during a time when the city is experiencing budget cutbacks.

Nate Edwards, President of the Glades NAACP told commissioners Monday night "People want to know what's happening with their tax dollars in these hard times with people being laid off."

A campaign to improve the image of Belle Glade has moved to the grassroots level this week. Glades residents will be asked to contribute to help pay for commercials which will begin in mid-December on WPTV, Channel 5.

Five-gallon jugs have been placed at all the area banks and Glades citizens are asked to contribute \$1 each.

December 6 - Everglades Memorial Hospital will maintain Emergency Ambulance Service for the Glades. County commissioners voted 7-0 Tuesday to sign a new contract with Everglades Memorial Hospital to maintain the Glades Emergency Medical Ambulance Service.

The State Sugar Corporation said Monday that it will plead guilty to eight counts of violating the Federal Resource Conservation and Recovery Act involving improper handling of hazardous waste, and has agreed to pay a \$3,750 million fine. The plea agreement followed a two-year investigation by U.S. District Attorney Dexter Lehtinen.

December 12 - Former Belle Glade Mayor Thomas Altman addressed the city commission Monday night for the first time since leaving office over 15 months ago to deliver a blistering denunciation of late local NAACP and their methods of criticizing local government.

A 22-month-old Pahokee child died after touching exposed wires from a television set in his home on December 6.

Kenneth A. Murphy, Jr. of 817 Padgett Circle, Pahokee died that morning, after he apparently had been playing in the bedroom of his home and touched some exposed electrical wires.

December 19 - State Department of Transportation District Maintenance representative Aime Yocca told a group of farmers and representatives from the school board last week that portions of old SR 80 have deteriorated to the point that extensive work will need to be done in some areas. Work was to begin soon.

Structural problems on several Pockets of Poverty homes built in the last two years in the Southwest section of Belle Glade have caused residents to complain on numerous occasions.

Residents say they are not getting results when they complain.

December 24 - The City of Belle Glade may get a detention facility. The facility would house approximately 400 and would bring 125-150 permanent jobs to the community.

Over 600 children crowded into the Palm Beach County Health Department to visit Santa Claus who arrived in a pony driven wagon along with Mrs. Claus.

Familiar face in a strange place... Santa Claus visited the chimpanzees at Lion Country Safari at 10 a.m. on Christmas eve. The chimps enjoyed his visit.

Chimps

at Lion Country.

Gifts of toys, clothes, and special culinary treats were distributed to all the chimpanzees on all five islands. Lion Country hosts the largest public chimpanzee exhibit in the world.

The chimpanzees are located in the Wankie National Park section of Lion Country's 500 acre preserve, which is also home to over 1000 wild animals from all over the world. Visitors on Christmas eve day had the opportunity to see this special event from the comfort of their own transportation.

The chimpanzees are not the only Lion Country residents that received gifts on December 24th. "We also presented gifts to all the primates in the Safari World Amusement Park and Throughout the preserve," Mr. Wolf remarked.

Lion Country Safari Chimpanzee volunteers assisted Mr. Wolf and his staff in the preparation of the gifts for the chimpanzees. Shimpazoo is the program founded by Dr. Jane Goodall in 1985 to study chimpanzees in captivity.

Lion Country Safari is open every day from 9:30 a.m. until 5:30 p.m. The last car is admitted into the park at 4:30 p.m. daily.

City faces many changes next year

By Bill Phillips
Staff reporter

Pahokee--Many area residents are asking, what is happening to Pahokee?

Pahokee is undergoing the same problems facing many small towns in the United States. Pahokee is not alone.

Although Pahokee is losing some businesses, others may possibly be replacing the empty buildings seen around town by next year.

Pahokee's City Commissioners are trying to develop new and different types of business to come to Pahokee.

Perhaps Pahokee's most promising asset is direct access to the second largest fresh water lake in the continental United States and the city is

making plans to promote that point all over the U.S. in the coming year.

Pahokee offers two brand new schools, an elementary school and a high school for its children. Pahokee also offers the School of C.H.O.I.C.E., an alternate accredited high school for at risk students.

Pahokee offers a quiet way of life away from the big city environment on the coast.

Pahokee offers an excellent hospital facility in Everglades Memorial Hospital, the only hospital that delivers babies in the Glades area and the

hospital sports a brand new emergency room and holds the Glades Ambulance Service water lake in the continental United States and the city is

he added to a Florida Scenic Trail as soon as possible which will mean people can bicycle along the edge of the lake, walk the trail or even ride horses.

Talk about business opportunities, bike rentals, rafts, horse rentals, tourists, tourists, tourists! And tourists! spell revenue!

Eighty additional campsites have recently been added to the marina.

A new adult congregating living facility is in the works which will add some 25-30 new jobs in the city.

Renovation of the old high school into a new city complex is being studied.

Pahokee Police now have added a bicycle patrol for extra security for its citizens.

Pahokee may get a new FP&L facility which will add another 50-60 permanent jobs to the town.

Pahokee is the town that loses a little before it gains a lot.

Pahokee is the town to watch around the big lake this year.

Pahokee Glades Mercantile store stands empty...First to leave the Pahokee area was Glades Mercantile, approximately four months ago.

Pahokee Ford will be leaving Pahokee shortly for a new address in Belle Glade on N.W. Avenue L, across from the Belle Glade Post Office.

City faces many changes next year

By Bill Phillips

Staff reporter
Pahokee—Many area residents are asking, what is happening to Pahokee?

Pahokee is undergoing the same problems facing many small towns in the United States. Pahokee is not alone.

Although Pahokee is losing some businesses, others may possibly be replacing the empty buildings seen around town by next year.

Pahokee's City Commissioners are trying to develop new and different types of business to come to Pahokee.

Perhaps Pahokee's most promising asset is direct access to the second largest fresh Glades water lake in the continental United States and the city is

making plans to promote that point all over the U.S. in the coming year.

Pahokee offers two brand new schools, an elementary school and a high school for its children. Pahokee also offers the School of C.H.O.I.C.E., an alternate accredited high school for at risk students.

Pahokee offers a quiet way of life away from the big city environment on the coast.

Pahokee offers an excellent hospital facility in Everglades Memorial Hospital, the only hospital that delivers babies in the Glades area and the

hospital sports a brand new emergency room and holds the to the second largest fresh Glades Ambulance Service water lake in the continental United States and the city is

The top of the dike is going to

be added to a Florida Scenic Trail as soon as possible which will mean people can bicycle along the edge of the lake, walk the trail or even ride horses.

Talk about business opportunities, bike rentals, rafts, horse rentals, tourists, tourists, tourists! And tourists spell revenue!

Eighty additional campsites have recently been added to the marina.

A new adult congregating living facility is in the works which will add some 25-30 new jobs in the city.

Renovation of the old high school into a new city complex is being studied.

Pahokee Police now have added a bicycle patrol for extra security for its citizens.

Pahokee may get a new FF&L facility which will add another 50-60 permanent jobs to the town.

Pahokee may be the town that loses a little before it gains a lot.

Pahokee is the town to watch around the big lake this year.

United States Sugar donates \$50,000 to 4-H

Beginning in January 1992, at least 35,000 school-age youth in 35 Florida counties will benefit from a state 4-H environmental education program thanks to a \$50,000 gift from U.S. Sugar Corp. in Clewiston.

"This gift is especially important because recent state budget reductions have severely restricted 4-H's ability to implement needed youth development programs," said Susanne Fisher, assistant dean and chairwoman of the 4-H and Other Youth Programs Department at the University of Florida's Institute of Food

and Agricultural Sciences.

Focusing on water and waste management, trained teachers and volunteers will conduct school programs and special-interest day camps, using print material, videos, posters and puppets. Serving as mentors, teen-agers will work with younger children. The program emphasizes hands-on experience, which will enrich classroom environmental education. Schools, community organizations, volunteers and youth will be recognized for their participation.

"U.S. Sugar is proud to make a significant contribution to

launch the new 4-H environmental education program for the youth of Florida," said U.S. Sugar President J. Nelson Fairbanks. "Our hope is that the environmental awareness youth learn in this program will remain with them throughout their lives."

The program is a partnership among Florida 4-H, UF/IFAS School of Forest Resources and Conservation, Florida Department of Education, UF College of Education, Florida water management districts, National 4-H Council, and

Waste Management, Inc.

Established in 1931, U.S. Sugar was the first successful sugar company in Florida, which now includes vegetables, citrus, cattle and plastics. The company's philanthropic activities support education, health care and community needs.

We agree with the U.S. Attorney that these charges are serious.

The actions that are the subject of this plea agreement were never a matter of

corporate policy at U.S. Sugar. We had corrected, or had begun correcting two of the three problem areas months before the U.S. Attorney's raid.

We just wanted to be careful even though we believed at the time that we were in complete compliance with the law. In a corporation of our size, mistakes at a department level do not make for corporate policy.

In fact, our policy is total obedience to the law, and beyond that, to act in an

environmentally responsible manner even if the law doesn't require it.

On three items, our performance did not equal our policy but we fixed what needed to be fixed and we are determined to prevent any environmental violations from ever happening again.

And, we will welcome EPA and other agencies onto our property. In searching we have found no damage to the environment, but we want the public to be absolutely sure.

Barnett Bank sponsored Brain Bowl

Jacksonville - Three teams comprised of 21 high school students won the Seventh Annual Black History and

Culture Brains Bowl sponsored by Barnett Bank. The Brain Bowl, held Dec. 13 and 14 in Tampa, focused on

world and American history with an emphasis on African-American culture. Barnett contributed \$25,000 to sponsor competitions at the local, regional and state levels.

Winners at the state level were awarded scholarships to a college or university in Florida. Other awards included gift certificates, trophies, plaques and savings bonds.

The annual black history and culture competition provides socially-disadvantaged students and incentive to learn more about their heritage. Participating students must read at least seven history books and study 2,000 facts on history, sports, lifestyles, music and arts. Questions at the competition will center on world and American history with an emphasis on African-American culture.

"Barnett is committed to

supporting education in Florida," said Allen L. Lanstinger Jr., president and chief operating officer of Barnett Banks, Inc. "We are especially pleased to be able to help socially disadvantaged students learn about their heritage."

With \$32.3 billion in assets and 593 offices in Florida and Georgia, Barnett Banks, Inc. is Florida's largest financial institution and the 21st-largest in the United States. Its stock (BBI) is listed on the New York Stock Exchange.

Students winning in Barnett Bank's Bowl were: Craig King, Dashedelle Jackson, Daniel St. Louis, Edward Turner, Earl Pottier, Latricia Hylton, and Edgar Forbes, all from Belle Glade, Glades Central Community High School.

WHIPLASH

Whiplash injuries can result from a sudden backward and forward whipping movement of the neck, caused by an auto collision, a fall, a powerful slap on the back, or even a violent sneeze. The ligaments and muscles controlling the spine segments are stretched or sprained, allowing the vertebrae to slip into abnormal positions. Nerves are then "pinched" or irritated, giving rise to headaches, nausea, dizziness and other pain.

Man shot in neck

On December 16th the Belle Glade Police were notified someone had been shot at 623 "F" Covenant Drive, Belle Glade.

The victim, Leroy Hill was found suffering from a gunshot wound to his upper right arm according to police reports.

Patrolman Kelly Reeves found the Mr. Hill in the apartment living room.

Emergency Medical Services personnel responded to the call and transported Mr. Hill to Glades General Hospital. He was admitted to the hospital with a bullet lodged in his rear neck near the spinal column.

Police investigation revealed that Mr. Hill was allegedly shot by his girlfriend during a domestic dispute.

The suspect, 34 year old Sue Harden had fled the apartment prior to police arrival and her arrest is pending according to police reports at this writing.

CHILD'S FIRST DENTAL VISIT

A child going to the dentist for the first time is often a handful of anxieties. Any dentist using the right techniques can transform the most terrified child into a cooperative patient who is no longer afraid - a child who will leave the office with a smile on his face. The first thing a dentist must do is convince the child of his honesty. Children are smart. They

dentist has to prove that he can be trusted to do exactly what he says he is going to do - no more, no less. The noise and hysteria generally disappear after the first visit. If the dentist establishes his reliability and that he is trustworthy, there will rarely be any more trouble.

CARD OF THANKS

I wish to thank my family and friends for all of their prayers, love, concern, help of any kind, cards and flowers, etc. during and after my recent heart attack. Thanks also to the staff at Glades General Hospital, especially the Emergency Room and Critical Care Unit and to Dr. Venugopal. Also to the staff at JFK Hospital. Your kindness will always be remembered.
God bless you all.

GLADES SUNSPOTS

Prayer meeting

A community prayer meeting sponsored by the Pahokee/Canal Point Ministerial Association will be held at Good Shepherd Church of God on Bacom Point Road in Pahokee on Wednesday, January 8th at 7 p.m.

The ministerial association

began quarterly community prayer services in the spring of 1991 in an effort to unite the members of Christian denominations in prayer for the community.

The services will continue in 1992 on a quarterly basis with various churches hosting the event.

The prayer service is intended to be

interdenominational. All are welcome to attend. For more information call 924-2416.

LEGALS

INVITATION TO BID

Sealed bids will be received by Highland
Glades Water Control District at the Office of
Hutchinson Engineers, 4431 Embarras
Drive, West Palm Beach, Florida up to 1000
A.M. January 23, 1992, at which time bids will
be publicly opened for the furnishing of all
materials, labor, equipment, and supplies
necessary for:

"N" CANAL BRIDGE
AT
VANDEGRIFT WILLIAMS ROAD,
PALM BEACH COUNTY
FOR
HIGHLAND GLADES WATER
CONTROL DISTRICT
BELLE GLADE, FLORIDA

including necessary appurtenant items and
in accordance with the Specifications and
Drawings prepared by Hutchinson engineers, a
Division of Kinley-Horn and Associates, Inc.
dated October 15, 1990.

The nature and scope of this project is:
To construct a three-span, precast solid
slab bridge on pile bents on Vandegrift
Williams Road over the "N" Canal for
Highland Glades Water Control District.

The project described herein shall be
constructed on the basis of a lump sum
contract.

The Bidder will submit, along with his bid
as Bid Security a certified or bank cashier's
check made payable to Owner or a bid bond
issued to the Owner in the amount of not
less than five percent (5%) of the base bid as
a guarantee that the Bidder if awarded the
contract will within fifteen (15) consecutive
calendar days of the Notice of Award enter
into a written agreement in accordance with
his accepted bid and furnish the required
Performance and Payment Bond satisfactory
to the requirements of the Contract
documents and in an amount at least equal to
the Contract Price.

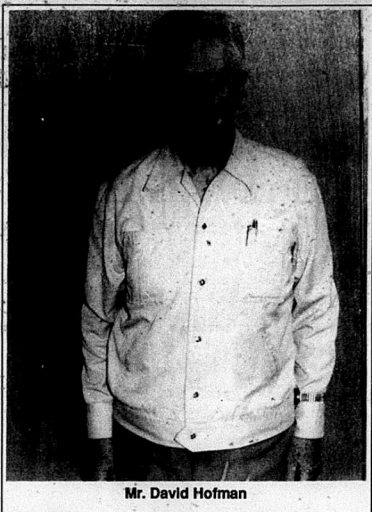

All construction shall be carried out in
accordance with the Contract Documents,
which include the Specifications and Drawing
prepared by Hutchinson Engineers, a Division
of Kinley-Horn and Associates, Inc. 4431
Embarras Drive, West Palm Beach,
Florida. Contract Documents, including
Specifications and Drawings and the
Subsurface Exploration Report may be
examined and obtained by qualified
Contractors at the Office of Hutchinson
Engineers upon payment of a non-refundable
deposit of \$50.00 per set of Contract
documents, including the Specifications and
Drawings and the Subsurface Exploration
Report.

Bids requested shall be set forth in the Bid
Form attached to and being part of the
Contract Documents. The Contract
Documents will not be issued unless request
is received at least 24 hours prior to opening
of the bid.

Bids may be modified or withdrawn in
accordance to Instruction to Bidders prior to
opening of the bids and shall remain open for
90 days after the bid opening.

The Owner reserves the right to reject any
and all bids and waive any and all
informatives, and the right to disregard all
nonconforming or conditional bids or counter
proposals.

Mr. David Hoffman

Hofman gave race unity talk Friday

The Baha'i Community of
Belle Glade presented Mr.
David Hoffman who spoke about
unity on Friday, December
27th at the Belle Glade Civic
Center.

David Hoffman is an author,
publisher, and international
traveller and speaker.
He served in Haifa, Israel for
twenty-five years on the
Universal House of Justice, the
world governing body of the
Baha'i Faith.

Friday's program included
special recognition ceremonies
for the Glades Central Black
History Brain Bowl Team.

According to Mr. Hoffman's
book, "The Renewal of
Civilization," in the intro-
duction it says, "The Word of
God is revealed today by
Bahau'llah (a Persian name
meaning Word of God). The
world religion he founded is
called the Baha'i Faith, and its
purpose is none other than the
creation of a world civilization.
It offers mankind a rebirth of
spiritual life, together with
laws and principles adequate to

embody that new spirit in a
universal, all-embracing World
Order. Its message, and some of
its history are the subject of
this book."

The Baha'i World Centre is
located approximately half way
up the Mt. Carmel in Israel.

Mr. Hoffman said, "All people
are like the leaves on a tree,
connected to branches that are
connected to the trunk. We are
one people regardless of color
and offer one religion." "There
is only one God, one race, the
human race and mankind's
growing up and coming of age."

"We believe that America has
a great future and will lead the
world," he concluded.

Mr. Hoffman is a calm,
intelligent, and gentle, man of
great learning with steel blue
eyes that seem to look right
into your soul.

Interestingly enough, Mr.
Hofman said they have no
clergy.

For information on the Baha'i
Faith you may call 996-0730
locally. This is the local
information center number.

Spring turkey season opens

Sportsmen who want to be
among the first hunters in the
woods during Florida's spring
turkey season should pick a
spring turkey quota hunt
application from Game and
Fresh Water Fish Commission
offices beginning December 27,
1991.

Spring turkey applications
will not be available from tax
collectors or their subagents.

Prospective quota hunters
must submit a spring turkey
application to the
Commission's quota hunt office
in Tallahassee to be included
in the random drawing for spots
on Florida's public wildlife
management areas.

Applications for the random
drawing must be received by the
Commission via a postal or
express mail service and will be
accepted Jan. 6-15.

Application received before
Jan. 6 will be returned.

Quota permits remaining
after the random drawing will
be distributed to persons who
submit an application to
Tallahassee Commission office
on a first-come, first-
served basis.

Turkey hunters on most
public wildlife management
areas and private are required
on the following wildlife
management areas:

That's where Wildlife Alert
comes in: A sportsman sees
someone take a deer out of
season, or perhaps a bird
watcher sees someone dump
garbage in a wildlife
management area. The citizen

notes the license plate number,
name or a description of the
law violator, and where the
illegal activity took place, then
calls the Florida Game and
Fresh Water Fish Commission.

The caller tells the
dispatcher that he'd like to
make a Wildlife Alert
complaint and provides what
information he can. The caller
can remain anonymous and will
still be eligible for a reward. To
claim a reward when on is
offered, the caller later contacts
the officer for instructions.

Statewide, Wildlife Alert paid
a total of \$ 6, 975 to 34 citizens
who provided information
concerning wildlife or
environmental law violators.

"Most people who report
violations don't want a reward.
They just want the violators to
be caught," Hill said. "But we
gladly provide rewards for those
who request them."

Monies for the reward fund
are derived from tax-deductible
contributions from citizens and
sport clubs, and from fines
levied by criminal court judges
against violators.

Wildlife Alert is coordinated
by 13 outdoorsmen appointed by
the Commission's executive
director. Andrews, Big Shoals,
Jennings Forest (Black Creek),
Camp Blanding, Carver's
Ranch, Champion
International, Half Moon,
Kiceo, Richloam, Seminole
Ranch, Prairie Lakes,
Tosohatchee and Twin Rivers,
and on the Dupuis Wildlife and
Environmental Area.
